Dear Friends:

I have been asked once again to communicate with all of you and encourage you to attend DRI's Annual Meeting to be held October 4 – 8, 2017 in Chicago. As I have gained so much from attending DRI's Annual Meetings in the past and from participating in DRI, I readily agreed! With fewer than four (4) months remaining until the Annual Meeting returns to DRI's home state, you do not want to wait to book your flights and get your hotel discounts! **REGISTRATION IS OPEN!**

Keynote Speakers this year include Chuck Todd, Host of NBC's *Meet the Press*; Jeffrey R. Toobin, Senior Legal Analyst for CNN Worldwide and Staff Writer for the *New Yorker*; former U.S. Attorney General Eric Holder, Jr.; former Director of the CIA, John O. Brennan; and, many more. There will be up to twelve (12) hours of cutting edge CLE, including three (3) hours of ethics credit, as well as multiple networking opportunities to enhance your skills and expand your professional network. Your calendar will fill up quickly with networking events, delicious dine-arounds with your favorite Substantive Law Committee and the big event Thursday night at the Field Museum among the dinosaurs. Your business development will reach the next level in Chicago this year.

To view the entire list of programming and networking opportunities taking place at this year's meeting, [download the DRI Annual Meeting brochure](#) or visit [www.dri.org](http://www.dri.org) for more information. [Register today](#) and save \$200 off the registration fee. [Follow @DRICommunity](#) on Twitter for exciting announcements, additional event information, and program details. We look forward to welcoming you to Chicago! **#DRI2017AM.**

If you have any questions, please do not hesitate to call me! I cannot say enough about how valuable attendance at the DRI Annual Meeting can be for you and your practice. I look forward to seeing you in Chicago.

Very truly yours,
